144.150MHz

HF Net Fridays 1930
3.575MHz

This is just a brief sheet to remind you of the two fun social gatherings planned for January.

Branch 22 BBQ Onamalutu Domain, 18 January:

BBQ will be fired up at 12 noon but come along earlier for a natter beforehand. Some may have over-nighted there so there will be company.

Club will supply a BBQ, meat, bread, sauce, lollies, spreads, fizzy drinks.

Bring a salad or whatever else you want to have with it, and maybe a dessert/cake.

You will need plates, cutlery, cup and a chair. I also suggest sun screen and insect repellent!

Nelsonians - turn right at Northbank turnoff, just before the Wairau Bridge (big one before Renwick). Follow the road until it splits in two and take the right hand fork, Onamalutu Rd.

Follow this approx. 7km. You will see the domain turnoff signposted on the right. Go over the wee bridge and you are on the domain. We will most likely be on the left by the trees.

Please let Kaye katznkaye@slingshot.co.nz know if you plan to attend (for catering)

Branch 26 BBQ Rabbit Island, 25 January:

Time for lunch will be 1pm.

The club will provide the meat, bread and butter.

Bring along either a salad or dessert to share plus eating utensils, plate and chair. It will be nice to see as many of you there as possible.

Turn right at the sign post on Appleby Straight at Seifrieds corner. Continue down road over bridge and keep going until T intersection where you can **only turn left**. Not sure where we will be in there until we get there due to other people etc. Usually we try to get the second turning on your right after you have turned left at the T intersection and in there somewhere but if you call on 7025 someone will be listening and can tell you exactly where we are. DO NOT turn left after the bridge. Keep going until you can only turn left.

Branch 22 please let Jim Meachen, jim.m@clear.net.nz (Branch 26 secretary) know if you plan to attend. Grant and I hope to be going if anyone wants a ride.
